

PyxisCare Anywhere

Guiding you and your loved ones through today's complex health and wellness needs

Welcome to PyxisCare Anywhere! Whether you are in an emergency situation, out-of-state or need to know next steps, our care navigation experts are available anywhere, anytime. We serve as a liaison with family and medical staff for complicated care transitions and allow for continuity of care for out-of-state or traveling clients. Technology options allow convenience and preference, paired with PyxisCare's enhanced service.

How We Can Help

- Continuity for out-of-town clients
- Reliable support if you are traveling
- Clients who prefer virtual resources

What You Can Expect

Personal and compassionate support for a variety of virtual services.

PyxisCare Management

At PyxisCare, our priority is to provide you with the highest level of service and expertise to help you find the best healthcare solutions for your loved ones and yourself. We support you, so you can support them.

PyxisCare is here to improve quality of life by managing the highly complex and fragmented healthcare system for you. We offer trusted clinical expertise and integrated care coordination in multiple areas, including acute crisis management, ongoing maintenance of chronic illness or disabled loved ones, and proactive wellness planning. We're your partners in managing difficult healthcare challenges so you can make informed decisions with confidence – and be there when it matters most.

PyxisCare Management is based in Dallas/Fort Worth with offices throughout Texas and clients in several states.
